

MOVE TO LEARN GLOBAL SCHOOL

GRADE PRE-K CURRICULUM – MATH

Unit 1 – Monkeys

Number and Operations Counting; Writing Numbers; One-to-one correspondence; Recognizing Numbers; Understanding number order; Adding one more; Recognizing the same amount

Algebra Patterning

Geometry Identifying geometric shapes

Measurement Comparing sizes

Test Your Skills

Unit 2 – Cookies

Number and Operations Counting; Writing Numbers; One-to-one correspondence; Recognizing Numbers; Recognizing the most; Understanding number order; Counting money; Adding

Algebra Patterning

Geometry Identifying geometric shapes; Identifying one-half

Test Your Skills

Unit 3 – On the Farm

Number and Operations Counting; Writing Numbers; Recognizing Numbers; Recognizing the same amount; Practicing number order; Adding; Identifying which is more

Algebra Patterning

Geometry Identifying geometric shapes

Measurement Comparing sizes

Test Your Skills

Unit 4 – Puppies

Number and Operations Counting; Writing Numbers; One-to-one correspondence; Recognizing Numbers; Understanding number value; Understanding number order; Adding one more; Recognizing the most

Algebra Patterning

Geometry Recognizing geometric shapes

Measurement Comparing sizes; Measuring non-standard

Test Your Skills

Unit 5 – Hats

Number and Operations Counting; Writing Numbers; One-to-one correspondence; Recognizing Numbers; Counting money; Recognizing the most

Algebra Patterning

Geometry Recognizing geometric shapes

Measurement Measuring non-standard

Test Your Skills

Unit 6 – Ladybugs

Number and Operations Counting; Writing Numbers; Subtracting; Recognizing Numbers; Understanding number value; Understanding number order; Writing numbers in sequence; Adding one more; Recognizing the same amount

Algebra Patterning

Geometry Identifying geometric shapes; Identifying one-half

Measurement Comparing sizes

Test Your Skills

Unit 7 – Funny Frogs

Number and Operations Counting; Writing Numbers; Recognizing Numbers; Understanding number value; Understanding number order; Writing numbers in sequence; Counting in order; Comparing numbers; Subtracting

Algebra Patterning

Geometry Identifying geometric shapes

Measurement Measuring non-standard

Test Your Skills

Unit 8 – Happy Birthday!

Number and Operations Counting; Writing Numbers; Writing numbers in sequence; Recognizing Numbers; Understanding number value; Understanding number order; Adding one more; Identifying numbers

Algebra Patterning

Geometry Identifying one-half; Identifying geometric shapes; Identifying the biggest item

Measurement Comparing sizes;

Test Your Skills

Unit 9 – Balloons

Number and Operations Counting; Writing Numbers; Writing numbers in sequence; Recognizing Numbers; Understanding number order; Adding one more;

Algebra Patterning

Geometry Identifying geometric shapes

Measurement Measuring non-standard

Test Your Skills

Unit 10 – Under the Sea

Number and Operations Counting; Writing Numbers; Writing numbers in sequence; Recognizing Numbers; Understanding number value; Understanding number order; Adding one more; Comparing numbers; Subtracting

Algebra Patterning

Geometry Identifying one-half; Identifying geometric shapes

Measurement Comparing sizes;

Test Your Skills
