

EMPLOYMENT ADVERTISEMENT 2021

Japanese and English Teacher for International School

Employment Period: starting September 2021 and no end date

We are opening our new Move To Learn Global School (MTLGS) which is located in Takatsuki city Osaka. It is a small family oriented bilingual inclusive international school from grade Pre K to Elementary Grad 6, and we also accept and support students with special needs. Our course and curriculum is designed to meet the demand from parents for a school that is structured to the specific needs of individual children and for children struggling to cope with and learn in schools with regular teaching methods and curriculum.

As an MTLGS Teacher, you will:

- Teach various subjects including English and Japanese language classes.
- Prepare and develop your own daily lesson plans based on the curriculum given to you.
- Supervise children during working hours.
- Keep records and provide feedback and evaluation of the student's progress.
- Be involved in school and office work

Working Conditions:

- Daily 5 days a week Monday to Friday as per our school calendar (check our website)
- Teaching Hours: paid 6 hours a day
- Working Hours: 9:00 am – 4:00 pm (with 1 hour lunch break)
- The job will start as a part-time position and after a period of around 3-6 months if the school management is satisfied with your work then a full time position offer would be made.
- There may be occasions when you would be requested to work overtime.

Compensation:

- ¥1,100 per hour (¥6,600 per day)
- Transportation covered at cost i.e. your residence/school/your residence
- Yearly bonus could be paid depending on your performance and the school management's policy for that year.
- Overtime work when requested will be paid as per Japanese law.
- Teacher Training will be provided on a regular basis.

You will possess the following requirements:

- Experience working with children. (3-12 years of age)
- Experience with primary classroom management a plus.
- Background in ESL and/or related field a plus.
- Experience with multi-level subject and classes is necessary.
- Relevant teaching experience in a school is necessary.
- Bachelor degree or Japanese teaching qualification for Elementary school is necessary.
- Any special need teaching qualification or experience working with special needs children is a plus.
- Having a Japanese driving license is a plus.
- Must be a Japanese or Foreigner who can speak and teach English speaker is necessary.
- Japanese national or proper residence or work visa is a must.
- Age or sex no bar. Retired teachers, etc. can also apply.
- People only living in Japan should apply. This position would be suitable to those people living in the Osaka, Takatsuki or Kyoto region in Japan.

Application instructions:

1. Submit your resume with a cover letter in both English and Japanese admin@mtlgs.org along with a photograph and two references.
2. We thank all applicants for applying and will only contact appropriate candidates for an interview
3. We do not provide visas and are looking for those teachers preferably residing in the Kansai area only.
4. Please check and read our website thoroughly and in detail before you apply. <https://www.mtlgs.org/>
